

IRK

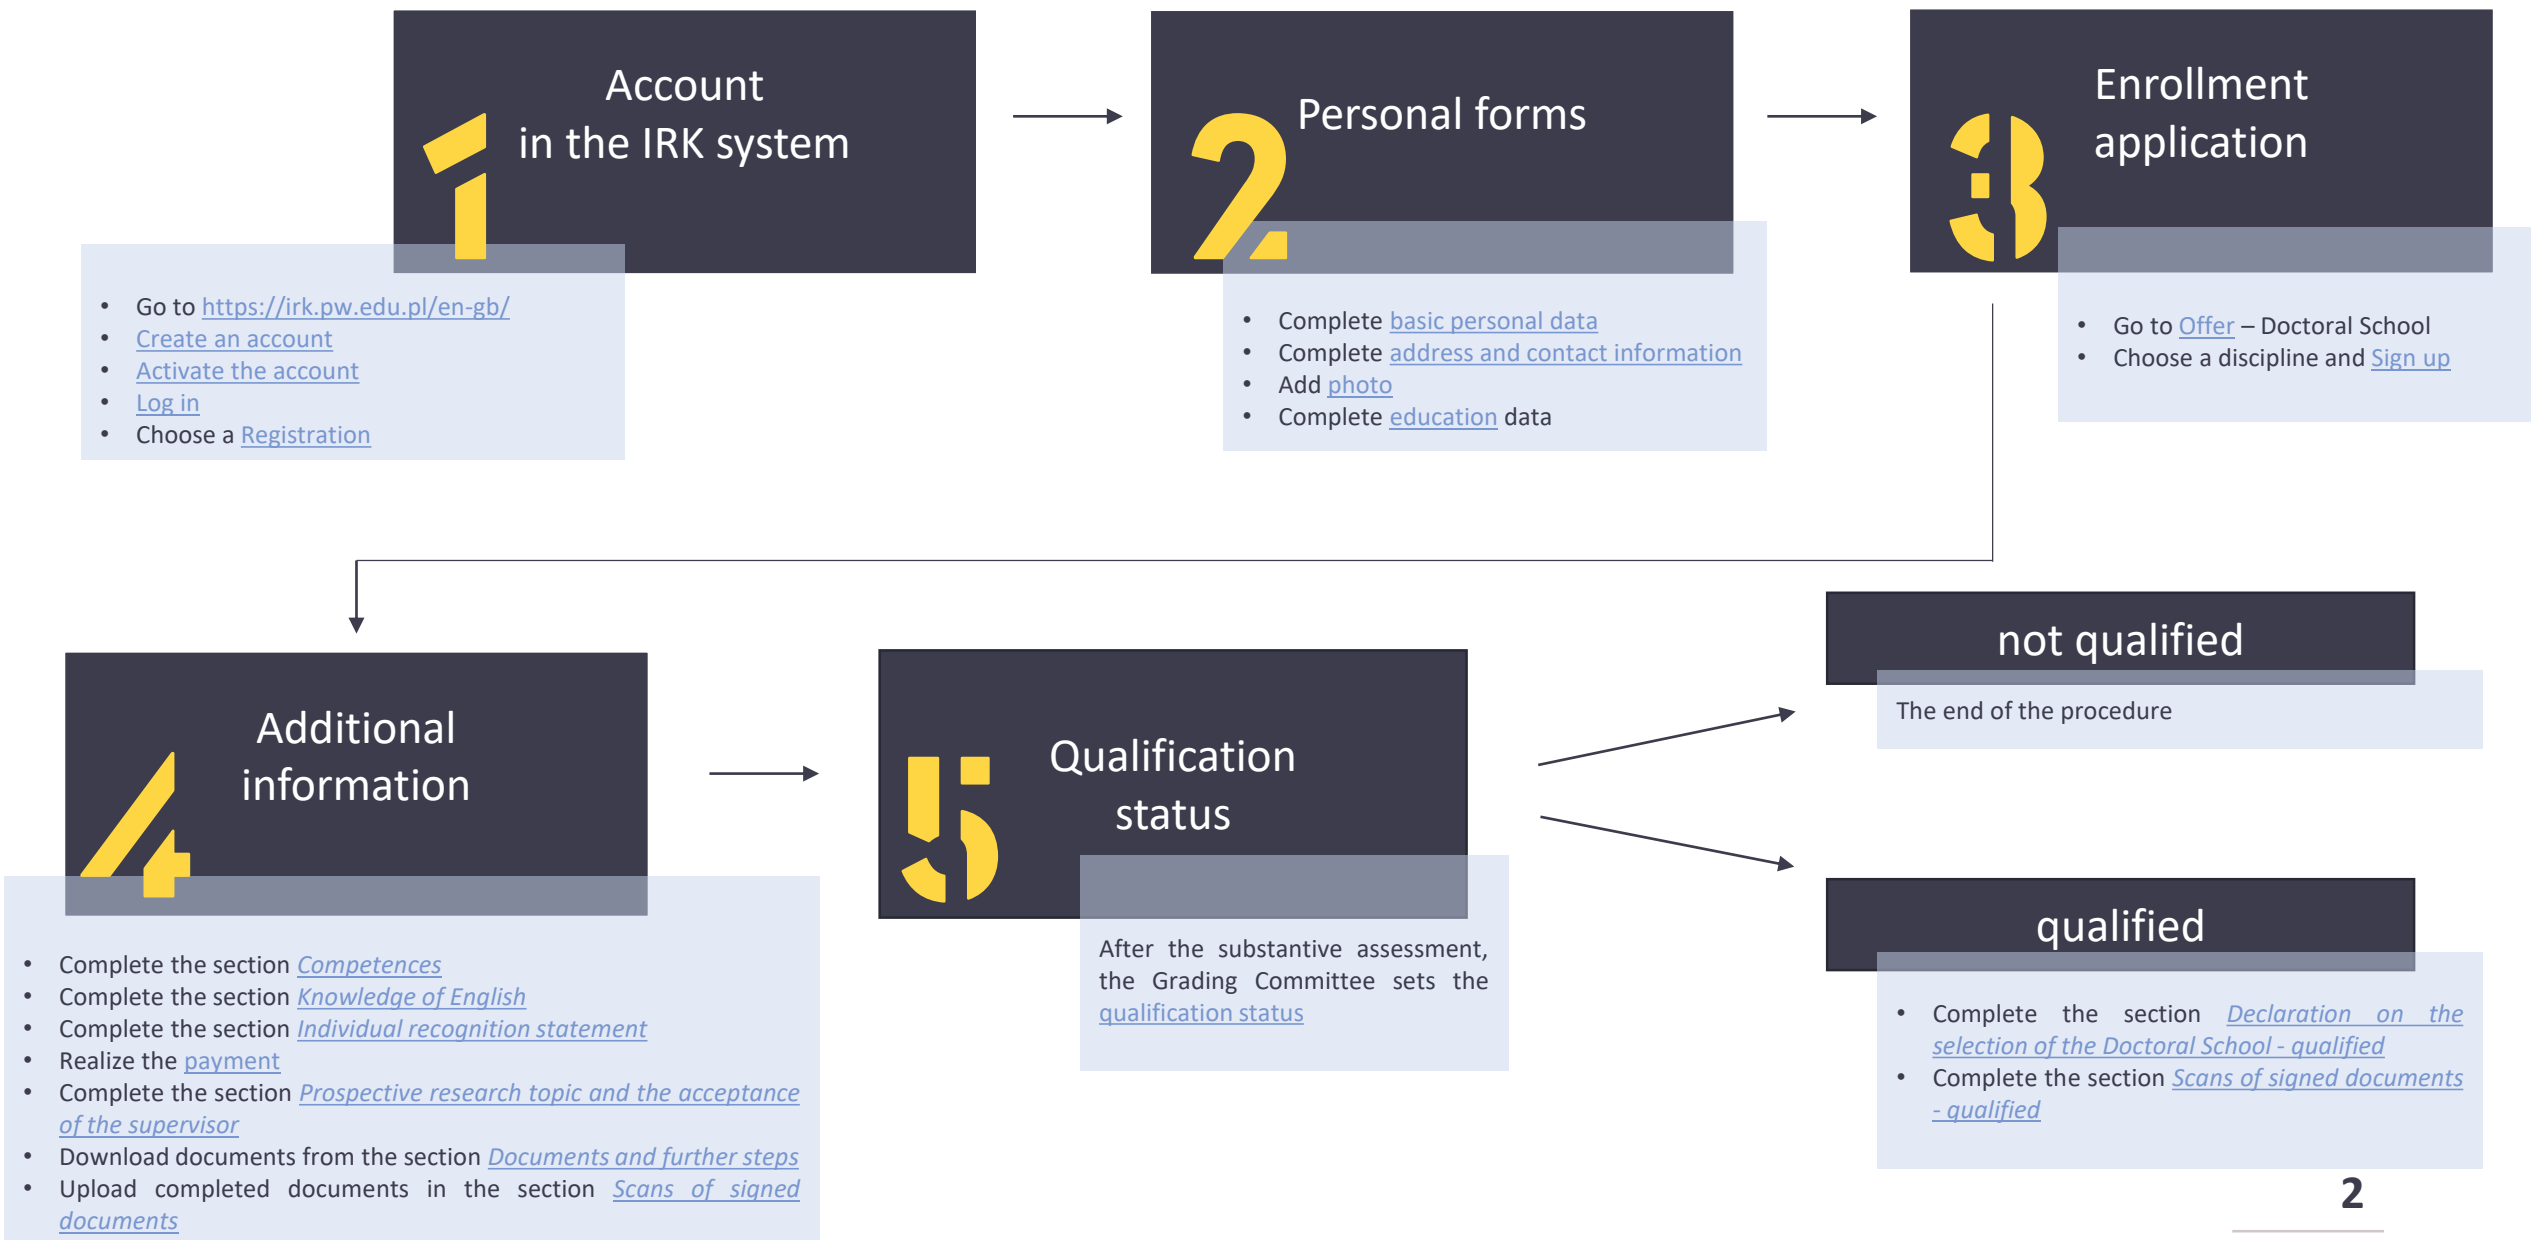

Doctoral
School

Online Recruitment System (IRK) – guideline for candidates to the Doctoral School

The instruction does not concern the candidates to Doctoral School applying within the Implementation doctorate program. In their case there will be separate admission, which schedule will be depending on the results published by MEiN. Candidates will be admission outside the limit, in a separate admission process dedicated only to the laureates of the Implementation doctorate program.

NOTE: The guideline is a tool for applicants at the Doctoral School. All current appointments that correspond to the admissions schedule for the current semester can be found in the admissions schedule, which is published on the website of the Doctoral School https://www.sd.pw.edu.pl/sd_en/Candidates/Admissions-2025Z, as well as after logging in to the IRK system and selecting the right admission.

Personal data processing information

Information clause

Pursuant to Article 13 of the Regulation 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (Journal of Laws EU L 119/1 of 4 May 2016), hereinafter referred to as „GDPR”, Warsaw University of Technology hereby informs that:

1. The Administrator of your personal data is Warsaw University of Technology with its official seat at Pl. Politechniki 1, 00-661 Warsaw.
2. The Administrator has appointed the Data Protection Inspector to supervise the processing of personal data. The Inspector can be contacted via e-mail: iod@pw.edu.pl
3. Your personal data will be processed by the Administrator in order to conduct the recruitment procedure for studies/postgraduate studies/doctoral school, and in the case of being accepted for the studies/postgraduate studies/doctoral school in order to implement the course of study/education at the postgraduate studies/doctoral school - the basis for processing your personal data is Article 6(1)(d) of GDPR, in accordance with, among others with the Act of July 20, 2018 Law on Higher Education and Science, as amended.
4. The Administrator will process the personal data from the recruitment documentation, and in the case of being accepted for studies/postgraduate studies/doctoral school in the field of personal data necessary for the implementation of the course of study/education at the postgraduate studies/doctoral school.
5. Warsaw University of Technology does not intend to transfer your data outside the European Economic Area.
6. You are entitled to access your personal data and to correct it, you have the right to request its removal, the right to request the restriction of its processing, the right to object to the processing of the data. Due to the fact that consent is not the prerequisite for processing of personal data, you are not entitled to data transfer.
7. Your personal data will not be made available to third parties (administrators), except for entities authorised in accordance with legal regulations.
8. Access to your personal data may be given to entities (processing entities) who are contracted by Warsaw University of Technology to perform actions which may be related to personal data processing.
9. Warsaw University of Technology does not use automated decision making with regard to you and does not profile you.
10. Providing your personal data is voluntary, however, failure to provide them makes it impossible to achieve the goals set out in point 3.
11. Your personal data will be processed in the case of:
 - conducting the recruitment procedure for studies/postgraduate studies/doctoral school, for a period of 3 years from the end of the recruitment process;
 - being accepted for studies/postgraduate studies/to the doctoral school, for a period consistent with the course of study/education at the postgraduate studies/doctoral school, and then they will be archived and will be stored for 50 years;and for the period necessary to secure any claims.
12. You are entitled to lodge a complaint to the supervisory authority - the President of the Office for Personal Data Protection if you find that the processing of your personal data violates the provisions of the GDPR Regulation.

Biomedical engineering

The Grading Committee calculates the grade basing on the scale from 0 to 10 (with 0.1 accuracy) according to the following formula:

$$\text{grade} = 0,3 * K + 0,2 * O + 0,5 * R$$

K, O, R – points from the scope of 0 to 10 (with 0.1 accuracy), K – prospective research topic, O – scientific and professional achievements, R – interview. When $R < 5$, grade = 0.

Architecture and urban planning

The Grading Committee calculates the grade basing on the scale from 0 to 10 (with 0.1 accuracy) according to the following formula:

$$\text{grade} = 0,3 * K + 0,2 * O + 0,5 * R$$

K, O, R – points from the scope of 0 to 10 (with 0.1 accuracy), K – prospective research topic, O – scientific and professional achievements, R – interview. When $R < 5$, grade = 0.

After submitting the enrollment application go to the „Enrollment applications” section in order to realize the payment and fill out additional data.

Doctoral school - recruitment for the winter semester 2022/2023

switch registrations x cancel selection

The offer displayed on this page is limited to the selected registration. If you want to see the rest of the offer, select a different registration.

Offer → Architecture and urban planning

Architecture and urban planning

You have successfully created a recruitment application. Go to the page [My account](#) → [Enrollment applications](#) to view the list of additional forms and/or documents that need to be printed and submitted.

Within the specified deadlines remember to:

- pay the application fee.
- fill out the forms with additional information.

The Grading Committee calculates the grade basing on the scale from 0 to 10 (with 0.1 accuracy) according to the following formula:

grade = 0,3 * K + 0,2 * O + 0,5 * R

K, O, R – points from the scope of 0 to 10 (with 0.1 accuracy), K – prospective research topic, O – scientific and professional achievements, R – interview. When R < 5, grade = 0.

Payments

Remember to set priorities for your payments: [Set priorities](#)

On this page you can view a summary of financial operations on your IRK account. If the system has been configured to support payments in more than one currency, your payments will be divided into separate tables in regard to these currencies. Your account deposits have positive value in the *Amount* column, while charges have a negative value. If an application has not been paid on time or a refund has been made, the payment will be displayed with grey background and its amount will not be calculated into the sum that is displayed above the table.

Zloty (PLN) Sum: **-250.00 zł**

Doctoral school - recruitment for the winter semester 2024/2025

Law

Forms can be downloaded from the section [Documents and further steps](#). They shall be printed, signed and uploaded in the system again in the form of scans. **The declaration on the selection of the discipline** is required only in the case of candidates qualified within more than one scientific discipline at the Warsaw University of Technology.

In accordance with the Art. 200 sec. 7 of the Act of 20 July 2018 the Law on Higher Education and Science (Journal of Laws 2022, item 574): At the same time, one person may only be a doctoral student at one doctoral school. Therefore, candidates applying for the admission to other doctoral schools are obliged to choose only one of them. In the case of selecting the Doctoral School of the Warsaw University of Technology, it is obligatory to submit the proper **declaration**.

Answer deadline: 19 Sep 2024, 11:59 p.m.
